CorciMex

Cordages & Webbing Tapes, Absolute Quality

Our experience over 60 years in the production of ropes and webbing, allows us to change in our business strategy for the benefit of our customers. This new strategy states that we will have available for immediate delivery the highest rotation products according to market/customer seasonality.

Having the support of our member factories and their premium brands allows us to provide/develop a variety of products according to our customer's specifications.

CorciMex is a Mexican trading company that belongs to a groups of national and international-companies with over 60 years of presence in manufacturing including, *Fabrica de Cordeles de Mexico, S.A. de C.V. Textiles Santa Susana, S.A. de C.V. Unicord México S.A. de C.V. y Unicord Corporation*; supported by their brands, **FACOMEX**, Bear Force, Fibercrete, Fibraplus, Textiles Santa Susana, Unicord and Columbian Rope.

These companies are focused on the industrial textile manufacturing industry, making ropes, strings, cordages, webbing tapes and cargo restraint systems, slings, and synthetic fibers for reinforcement of concrete.

Our mission is to satisfy the needs of our customers with quality products and services creating strategic partnerships with suppliers, employees and shareholders..

Our Vision is to be the leading company providing solutions of quality, products with competitive price and reliable service.

Our team is ready to service your needs as a true partner in your business.
